FACT SHEET - 3M IN THE COMMUNITY

With over 50 years of giving, 3M is committed to making a positive contribution in the communities it operates in and to Canadian society. 3M's support focuses on education, health and human services and the arts. In 2006, 3M Company donated more than US\$37 million to charitable organizations and gave 42 per cent (US\$15.6 million) of this to education.

EDUCATIONAL INITIATIVES

To strengthen the link between learning and the workplace, 3M supports post-secondary education in the areas of science, technology and business. 3M also has a long-standing commitment to continuous, lifelong learning and supports various literacy organizations.
